

milan

ESCAPE TO PARADISE

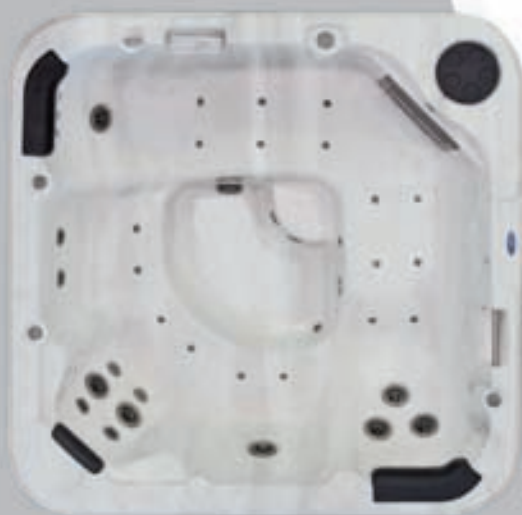

With room to accommodate 7, the Milan is available in two models and features a massive 52 air and hydrotherapy jets including his and hers recliners for an all-over body massage and 5 upright seats with varying jet configurations for the ultimate soothing, calming, invigorating and healing massage. The Milan also comes complete with some impressive standard features, including 24 hour circulation pump and ozone purification system to keep your water pure and clean and a mood setting LED light with varying sequence for a spectacular light show for added ambience and style.

A close-up photograph of a smiling woman with curly hair, wearing a black bikini top, sitting in a hot tub. The background shows the interior of the hot tub with various jets and a control panel. The image is partially obscured by a white diagonal shape that separates it from the text on the left.
